

G625 HD Office Webcam

Make a strong impression when it counts with the high-quality G625 HD Office Webcam. Whether you're video calling on Teams, Zoom, Skype, live-streaming on your favorite SoMe or recording content for Youtube, you'll appear in vibrant colours with clear and crisp details.

The 77° wide angle camera comes with an integrated privacy shutter. The 2 MP sensor and glass lens as well as the noise-cancelling microphone with clear and natural sound ensure fluent FullHD @30Hz video with automatic low light correction to ensure great performance even in overexposed or dim lighting.

Multi-functional hook design fits monitors, laptops and flat screen TV's and makes calling and recording easier at any angle. Also a tripod mount at the bottom of the base is included.
