Maximum performance with PowerCyclone 7 Easy and hygienic dust disposal

Philips PowerPro Active bagless vacuum cleaner delivers top cleaning performance, thanks to advanced PowerCyclone 7 technology and TriActive+ nozzle, engineered to maximize dust pick-up. The dust container is designed for hygienic emptying.

Maximum performance

- PowerCyclone 7 keeps strong suction power for longer
- TriActive+ nozzle to deliver high performance on all floors
- 99.9% dust pick-up* to deliver high cleaning
- 750W motor for strong suction power

Maximum convenience

- Power control function to adjust suction power
- Compact design with front and top handle for easy carrying
- Soft brush integrated into handle, always ready to use
- Soft bumper and rubber wheels to protect furniture
- Rotating Mini Turbo Brush for easy hair and fluff removal

Hygienic cleaning

- Dust bin designed for hygienic emptying with one hand
- Allergy H13 filter system captures >99.9% of fine dust

Highlights

PowerCyclone 7

The aerodynamic design of PowerCyclone 7 minimizes air resistance and ensures exceptional cleaning performance through 3 highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber. 3) At the top of the cyclone, the exit blades effectively cut out the dust from the air.

TriActive+ nozzle

The TriActive+ nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It sweeps up the dust and dirt alongside furniture and walls with its two side brushes.

Power control

Power control function to adjust the suction power for different cleaning tasks, such as hard floors, wooden floor and soft furnishings.

Simple and tidy to empty

The dust bin is designed for hygienic removing and emptying with one hand, which helps minimize dust clouds.

Light weight and compact

Top and front handles for easy carrying. Compact design enables convenient storage.

Soft bumper and rubber wheels

Soft bumper and rubber wheels to protect furniture, prevent scratches on the floor. Enables and ensure easy manoeuvrability.

Soft brush at your fingertips

A dusting brush attachment is built right into the handle so it's always ready to use for furniture, flat surfaces and upholstery.

Mini Turbo Brush

The Mini Turbo Brush quickly removes (animal) hairs, fluff, and dust from couches, cushions, and other fabrics. This brush is ideal for pet owners.

Ultra-Hygiene filter

The fully-sealed filtration system captures >99.9% of fine dust particles - including pollen, pet hair and dust mites - for allergy sufferers and anyone demanding a higher level of hygiene. Filtration level is equivalent to HEPA 13*.

5 years warranty

Register at philips.com/welcome within 3 months of purchase to enjoy 5-year warranty on the motor for free!

Developed in Europe

Manufactured to Philips' highest quality standards.

Specifications

Performance

Input power (IEC): 650 W
Sound power level: 71-76 dB
Input power (max): 750 W

Usability

Power control: Electronic on appliance
Action radius: 9 m
Carrying handle: Top and front
Tube type: Metal 2-piece telescopic tube
Tube coupling: ActiveLock
Wheel type: Rubber

Design

Color: Opal green

Filtration

Dust capacity: 1.5 L
Exhaust filter: Allergy H13 filter
Motor filter: Washable filter
Filtration level: HEPA13 level**

Nozzles and accessories

Standard nozzle: TriActive+ nozzle
Additional nozzle: Mini turbo brush, Hard floor nozzle
Accessories included: Crevice tool, Integrated brush
Accessory storage: On tubeclip

Sustainability

Packaging: > 90% recycled materials
User manual: 100% recycled paper

Weight and dimensions

Weight of product: 4.5 kg
Dimensions of product (LxWxH): 412 x 280 x 280 mm

Accessories

Filter replacement kit: FC8010/02
