Highlights

2 x cleaner floors***

Cleans grease, stains, sticky dirt, fine dust and your everyday floor messes. For a shining floor without residue and streaks, with up to 99.9% bacteria removal*

2 x faster mopping***

Enjoy hassle-free floor cleaning without the need for buckets, wringing or rinsing. The Philips OneUp Electric Mop simplifies every step.

OneUp technology

Patented OneUp technology pumps clean water onto the floor while silently sucking up dirty water, ensuring an efficient electric mopping experience.

Built-in separate water tanks

Keep clean and dirty water separate at all times thanks to the integrated water tanks. They are easy to refill and empty without ever touching the dirt.

Maximum reach

Easily clean hard-to-reach corners and areas under low furniture thanks to the 360° rotating hinge.

Cordless and manoeuvrable

Move freely with no cords or cables needed. It moves just like your old mop – minus the bucket!

Optimal floor coverage

Ideal for a flat of up to 125 m², thanks to 50 m² coverage in one water tank. One fully charged battery lasts up to 70 mins.

50% faster drying**

Mop and dry simultaneously. Philips OneUp Pads ensure optimal and even wetting with 50% faster drying**

For your hard floors

Clean hard floors, including delicate and non-absorbent floors like laminate, non-textured tiles, vinyl, wood (like parquet), cast floor and stone.
